

COLLABORATIVE AVIATION SERVICES

1FLT or phonetically “one-flight” as the name suggests, is a collaborative aviation services provider where aircraft operators and aircraft management companies can utilize Team 1FLT’s invaluable dispatch expertise and aviation connections around the world together with their respective flight crew and operations team to be unified by one flight goal and accomplish any flight towards any destination

ABOUT US

IFLT was founded in 2023 by a vibrant team of aviation specialists with over 30 years of cumulative industry experience in the cargo, passenger, and aviation services industry and have been a strategic partner for airlines and air freight providers with a wealth of experience and a dedicated team of experts specialized in delivering tailored services that propel businesses forward

Our team of experts has successfully positioned ourselves as a premier master consolidator for air freight and is equipped with airline partnerships, forwarding partners, multiple block space arrangements, and contracted charter solutions which makes us a major contributor to export and import loads for airlines in the Middle East
