◆Your GBS page during the auction

The screenshot shows the GBS (Global Bidding System) interface during an active auction. The top navigation bar includes links for GBS, TOP, AUCTION, MY PAGE, DEVICE SPEC, INFO, TUTORIAL, and an ADP dropdown. Below the navigation bar, there are tabs for Auction Manual, Grade Policy, and device categories: iOS, Android, Watch, and Earphone. A carousel of banners is visible, including 'LATEST Price Reference', 'IMPORTANT AUCTION UPDATE', and an AUCNET Global Bidding System banner. A central notification box contains a 'User-friendly update on Multi-Unit Hybrid Auction' dated 2023-11-15, stating that users can check the current status and price information in real-time. Below the notification, three auction listings are displayed: 'HYBRID Auction' (SIM Unlocked iPhone (KDM-23-324)), 'SEALED BID Auction' (SIM Unlocked Android (KDP-23-320)), and 'TAKE ALL Auction' (VIP Activation Locked iPhone and iPad (KDP-23-321)). Each listing shows a 3-day duration and an end date of 2023-12-05 15:00:00, with a 'SELECT AUCTION' button.

◆Your GBS page when the auction is not on (Tuesday 15:00-Friday 15:00 JPN time)

The screenshot shows the GBS interface when the auction is not on. The top navigation bar and tabs are the same as in the previous screenshot. The carousel of banners is also present. A central notification box contains a message dated 2023-11-28 stating 'No auction now' and 'The next auction will start on the 1st of December!'.
